We are Official ODOO Partner

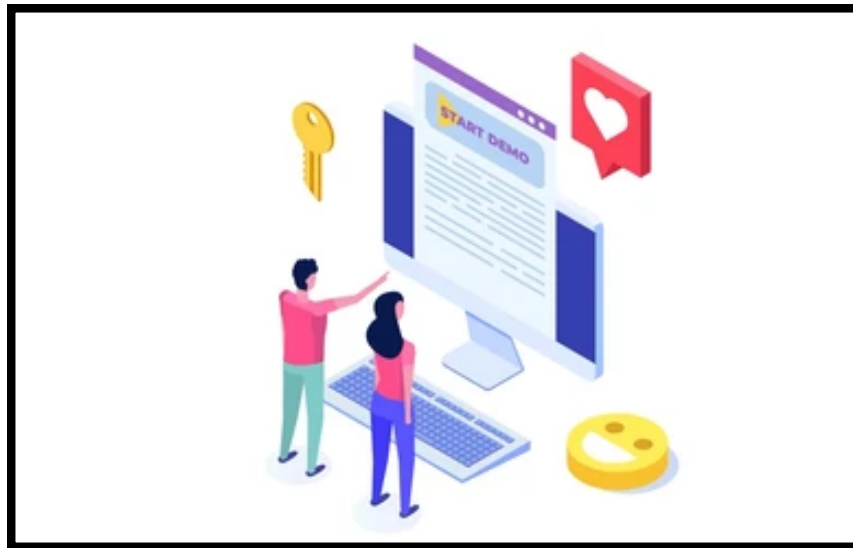

Our Profile

Vperfect CS is an Odoo partner company based in Ahmedabad and is working since 2016. We hold expertise in implementing and developing the best enterprise resource planning solution for our clients with our robust experience with Odoo. We have served 50+ clients globally and developed 70+ modules in Odoo. We always believe in our set values and stand by them in our conduct.

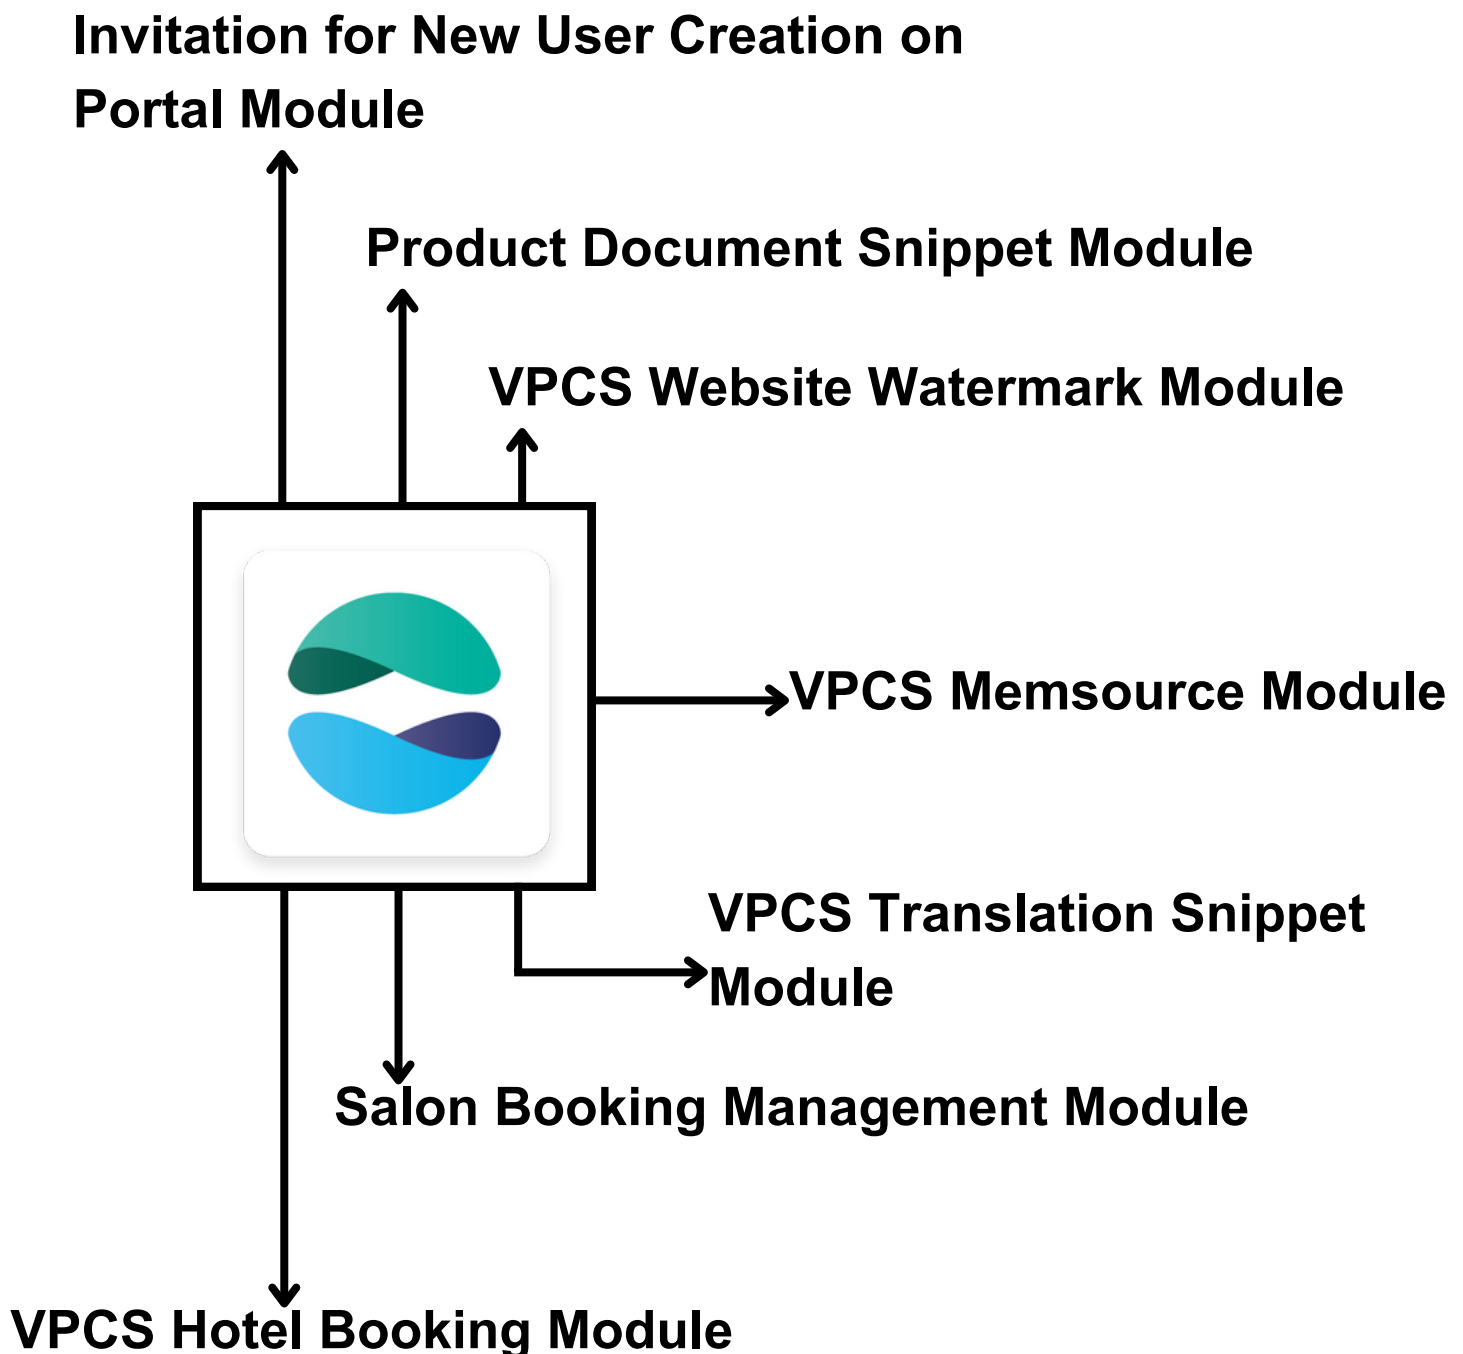

Introduction

- A website plays a very crucial role in building an organisation's branding
- In order to have a successful branding of an organisation on website it should have a unique yet attractive website portraying the organisation's Unique Selling Proposition (USP)

- We help our clients in doing this by using the Odoo's simple to use Website Builder App and also customize the standard module by adding additional features based on client's requirement

Our Website Modules

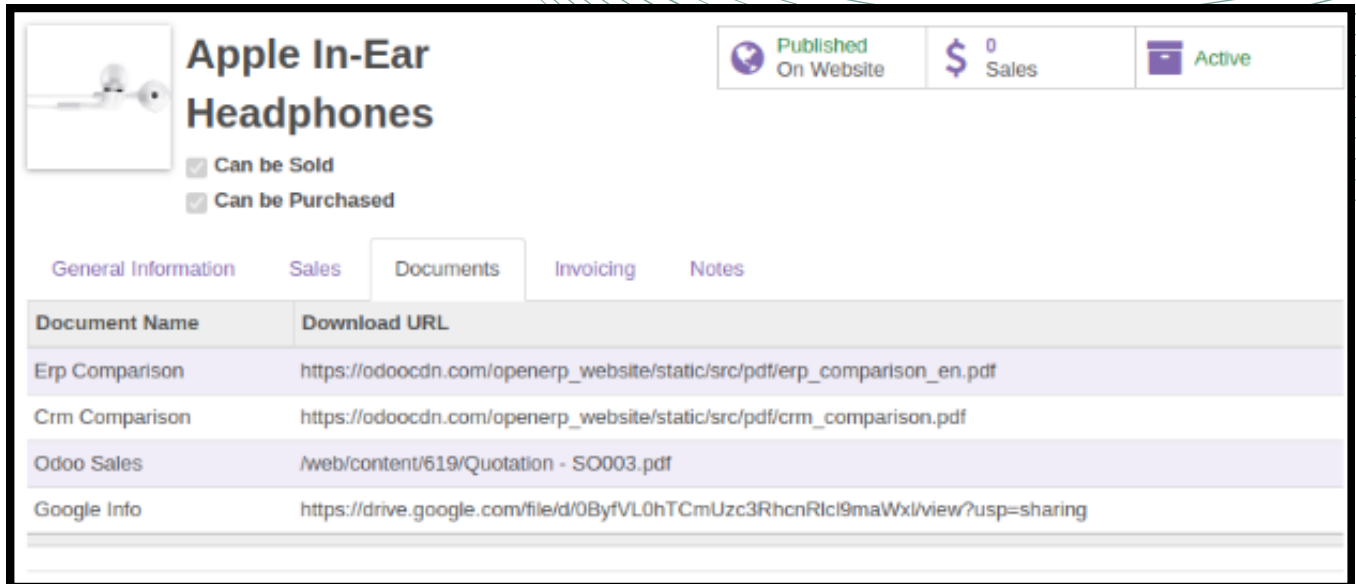

Product Document Snippet Module

- This module helps in uploading documents pertaining to **Product Information** on website
- We first need to **Attach** the documents on the product form page of Odoo

- We also add a **Public URL** to the document to make it accessible to the user on website
- The users can **View** the documents and **Download** them to have more information on the product

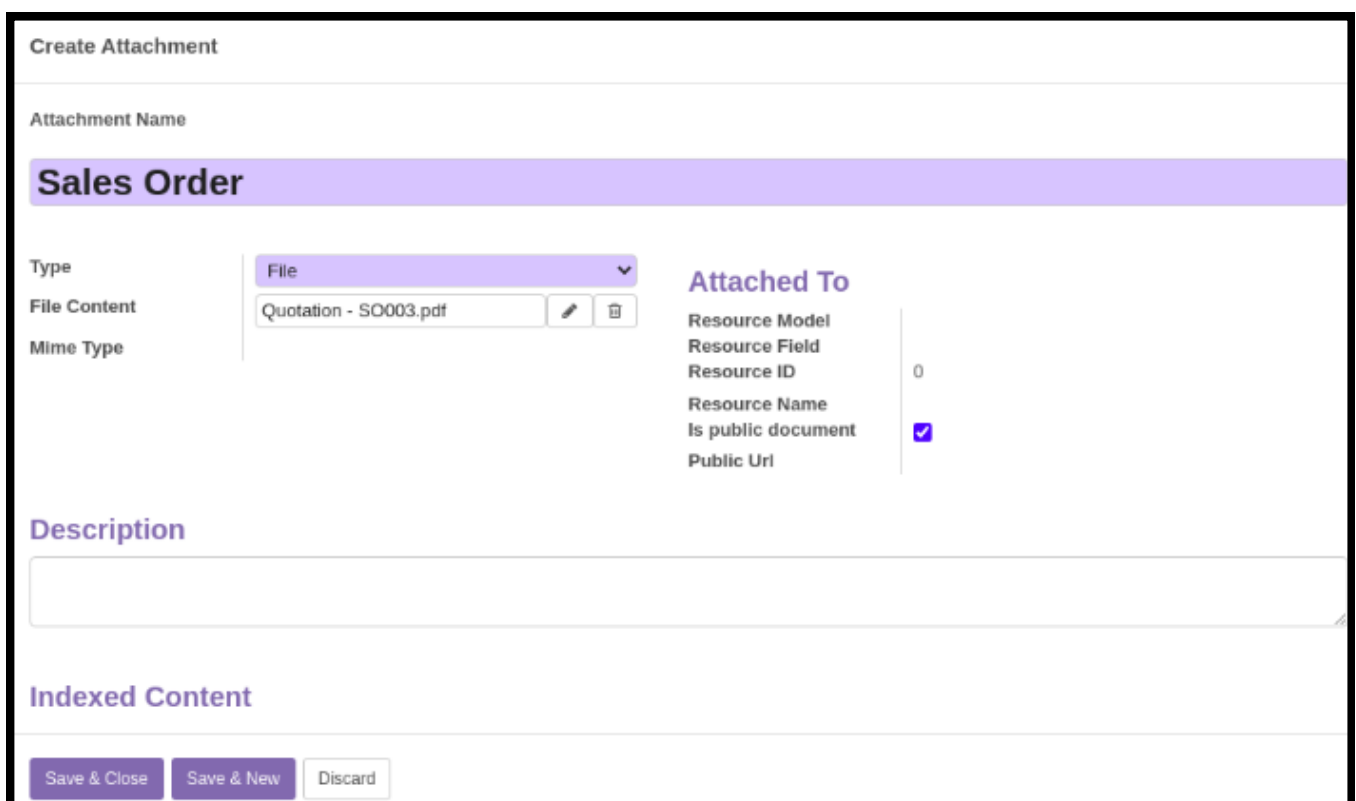

- The figure below shows the “Documents” tab for attaching the document URL on the product configuration page

The screenshot shows the 'Documents' tab of a product configuration page for 'Apple In-Ear Headphones'. The page includes a product image, status indicators (Published On Website, 0 Sales, Active), and checkboxes for 'Can be Sold' and 'Can be Purchased'. The 'Documents' tab is selected, showing a table with document names and their corresponding download URLs.

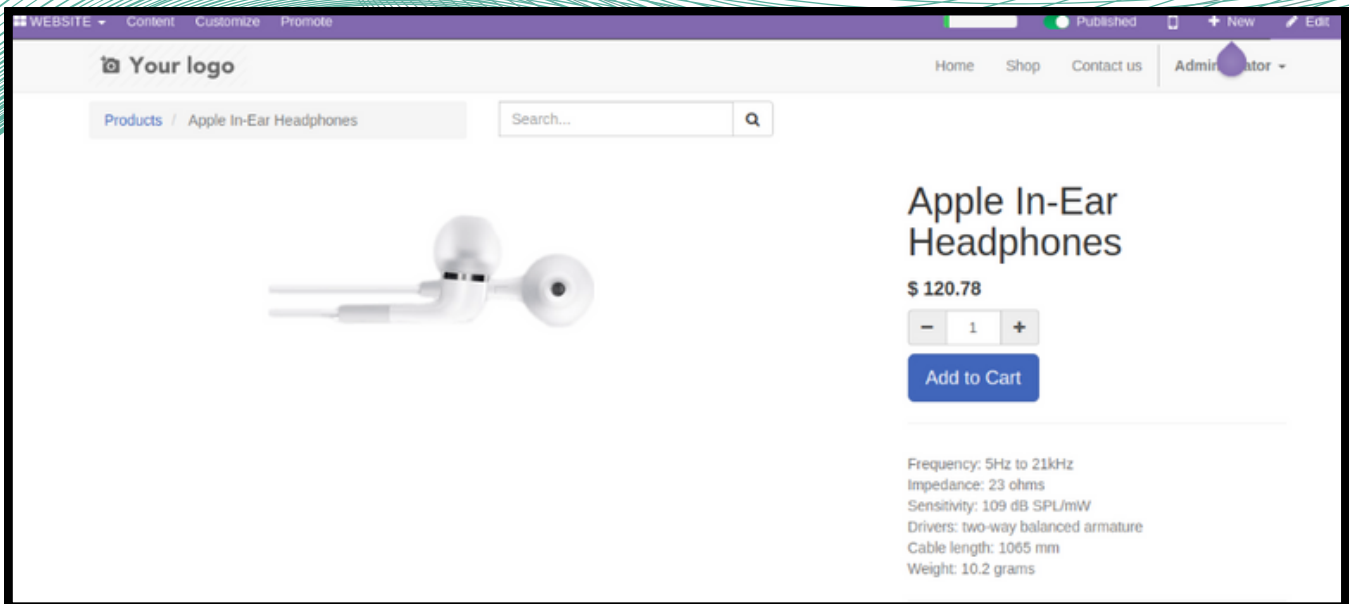

Document Name	Download URL
Erp Comparison	https://odoocdn.com/openerp_website/static/src/pdf/erp_comparison_en.pdf
Crm Comparison	https://odoocdn.com/openerp_website/static/src/pdf/crm_comparison.pdf
Odoo Sales	/web/content/619/Quotation - SO003.pdf
Google Info	https://drive.google.com/file/d/0ByfVL0hTCmUzc3RhcnRlc9maWxl/view?usp=sharing

- The figure below shows the popup asking for adding a Public URL to the document

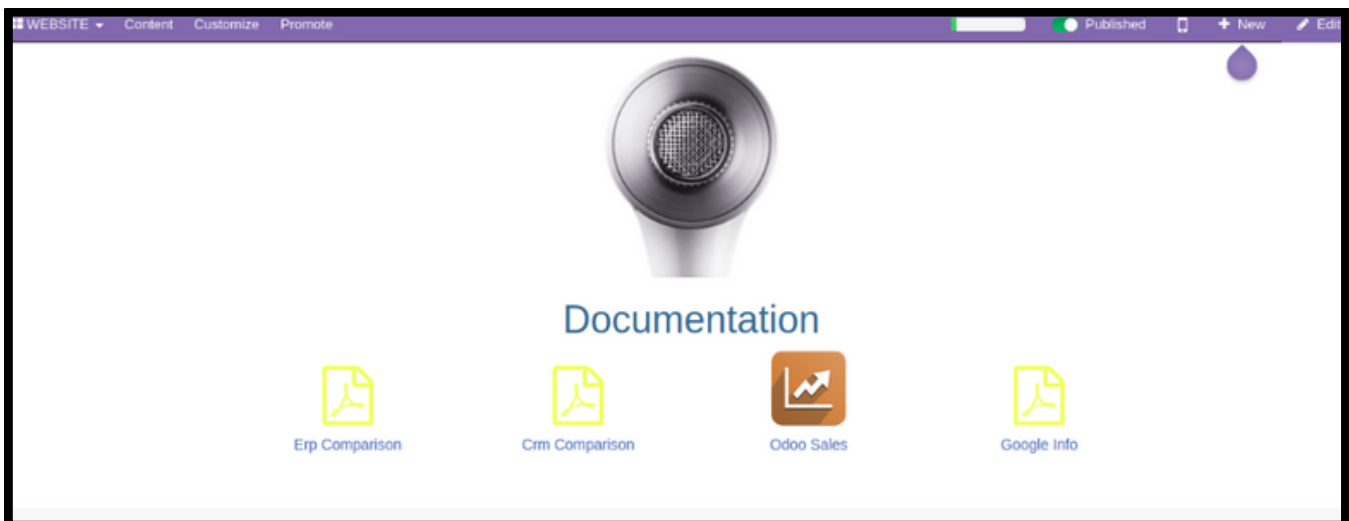

The screenshot shows the 'Create Attachment' popup form. It includes fields for 'Attachment Name' (Sales Order), 'Type' (File), 'File Content' (Quotation - SO003.pdf), and 'Mime Type'. The 'Attached To' section shows 'Resource Model' (Sales Order), 'Resource Field' (Resource ID), 'Resource ID' (0), 'Resource Name' (Quotation - SO003.pdf), 'Is public document' (checked), and 'Public Uri'. The 'Description' field is empty. The 'Indexed Content' section is also empty. At the bottom, there are buttons for 'Save & Close', 'Save & New', and 'Discard'.

VPCS Memsource Module

- The **VPCS Memsource Module** is the integration of **Memsource Translation Management System (MTMS)** with Odoo

- It helps the users to work on translation projects both on Odoo and Memsource with the help of sync feature of this module
- It allows the user to create projects using either softwares and also assign tasks to the employees
- The user is also allowed to have vendors and sync vendors in both of them
- The module has also a feature of creating an analysis report or directly go for the translation process

• Project Creation:

The screenshot shows the 'Projects / New' form in the Memsource application. The top navigation bar includes 'Project', 'Projects', 'My tasks', 'Reporting', 'Configuration', and 'Memsource Configuration'. The form has three tabs: 'SHARE READONLY', 'SHARE EDITABLE', and 'SYNC PROJECT TO MEMSOURCE' (highlighted with a red box). Below the tabs, there are fields for 'Name of the tasks?' (with a placeholder 'e.g. Office Party'), 'Customer?', 'Tags?', 'Enable Machine Translation?' (a toggle switch), and 'Company?'. On the right side, there are fields for 'Project Manager?' (Mitchell Admin), 'Source Language?', 'Target Language?', 'Project UID?', 'Status?', and 'Planned Date?'. A red box highlights the 'Source Language', 'Target Language', 'Project UID', and 'Status' fields. At the bottom, there are tabs for 'Description', 'Attachments', and 'Settings'.

• Project Sync:

The screenshot shows the 'Projects / Memsource Translation_9' form in the Memsource application. The top navigation bar includes 'Project', 'Projects', 'My tasks', 'Reporting', 'Configuration', and 'Memsource Configuration'. The form has three tabs: 'SHARE READONLY', 'SHARE EDITABLE', and 'SYNC TASK TO MEMSOURCE' (highlighted with a red box and a red arrow). Below the tabs, there are fields for 'Name of the tasks?' (placeholder 'Memsource Translation_9'), 'Customer?', 'Tags?', 'Enable Machine Translation?' (a toggle switch), and 'Company?'. On the right side, there are fields for 'Project Manager?' (Mitchell Admin), 'Source Language?' (English), 'Target Language?' (French, Hindi, Sanskrit), 'Project UID?' (6xYdyctSfpDdFIRMmF8M0), 'Status?' (NEW), and 'Planned Date?'. A green diagonal banner in the top right corner says 'PROJECT SYNCED'. At the bottom, there are tabs for 'Description', 'Attachments', and 'Settings'. Below the tabs, there is a section for 'ATTACHMENT' with a file icon and a green checkmark.

• Pre-translation and Analysis Report:

The screenshot shows the 'Memsources Translation_9' project page. The top navigation bar includes 'Project', 'Projects', 'My tasks', 'Reporting', 'Configuration', and 'Memsources Configuration'. The main header shows 'Projects / Memsources Translation_9' with an 'Action' icon, '1 / 1' page indicator, and a 'Create' button. Below the header, there are four tabs: 'SHARE READONLY', 'SHARE EDITABLE', 'CREATE ANALYSIS', and 'PRE-TRANSLATION'. The 'PRE-TRANSLATION' tab is highlighted with a red arrow. The project details section includes fields for 'Name of the tasks', 'Customer', 'Tags', 'Enable Machine Translation' (a toggle switch), 'Company', 'Project Manager' (Mitchell Admin), 'Source Language' (English), 'Target Language' (French, Hindi, Sanskrit), 'Project UID', 'Status' (NEW), and 'Planned Date'. A green banner on the right side says 'PROJECT SYNCED'. At the bottom, there is an 'ATTACHMENT' section with a file icon and a green checkmark.

• Vendor Assignment:

The screenshot shows the 'Task#IL908gzlDtNYcqTeaAojv4' page. The top navigation bar includes 'Project', 'Projects', 'My tasks', 'Reporting', 'Configuration', and 'Memsources Configuration'. The main header shows 'Projects / Memsources Translation_9 / Task#IL908gzlDtNYcqTeaAojv4' with an 'Action' icon, '3 / 3' page indicator, and a 'Create' button. Below the header, there are two tabs: 'Parent Task' and 'Sub-Tasks'. The 'Sub-Tasks' tab is highlighted with a red box. The task details section includes fields for 'Project', 'Milestone' (e.g. Product Launch), 'Assignees' (Mitchell Admin), 'Target Language' (Sanskrit), 'Workflow Step' (Revision), 'Segments' (0.00), 'Pages' (0.00), 'Words' (0.00), 'Characters' (0.00), 'Vendor' (test vendor), 'Customer', 'Sales Order Item', 'Deadline', 'Tags', 'Task UID', 'Analysis UID', and 'Status' (NEW). A green banner on the right side says 'TASK SYNCED'. At the bottom, there is an 'Add a Property' button and a 'Task description...' field.

VPCS Translation Snippet Module

- This module provides the feature of translating texts and documents on website

- It allows the user to translate to most of the languages prevalent across the web
- It appears as a translation form on the website

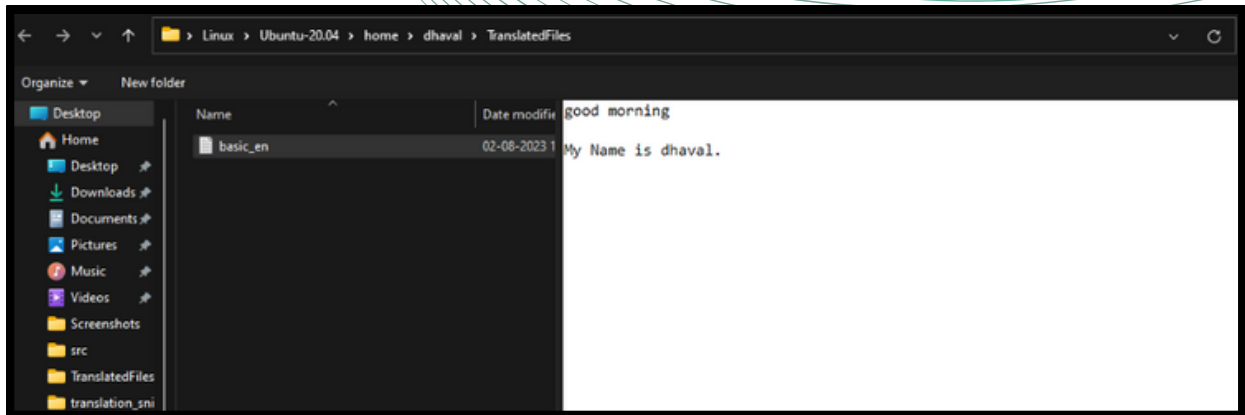

- Text Translation:

This screenshot shows a web application interface for text translation. The top navigation bar includes links for Website, Site, Reporting, and Configuration, along with status indicators for 'Published' and 'My Website'. The main header contains 'YourLogo', 'Home', and 'Contact us' links, and a user profile for 'Mitchell Admin' with a 'Contact Us' button. The central form, outlined in red, is titled 'Translation Type' and contains three input fields: 'Text Translation' (with 'Text Translation' entered), 'To' (with 'Gujarati / ગુજરાતી' selected), and 'Text' (with 'My Name is Krishna.' entered). A 'Translate' button is located at the bottom of the form.

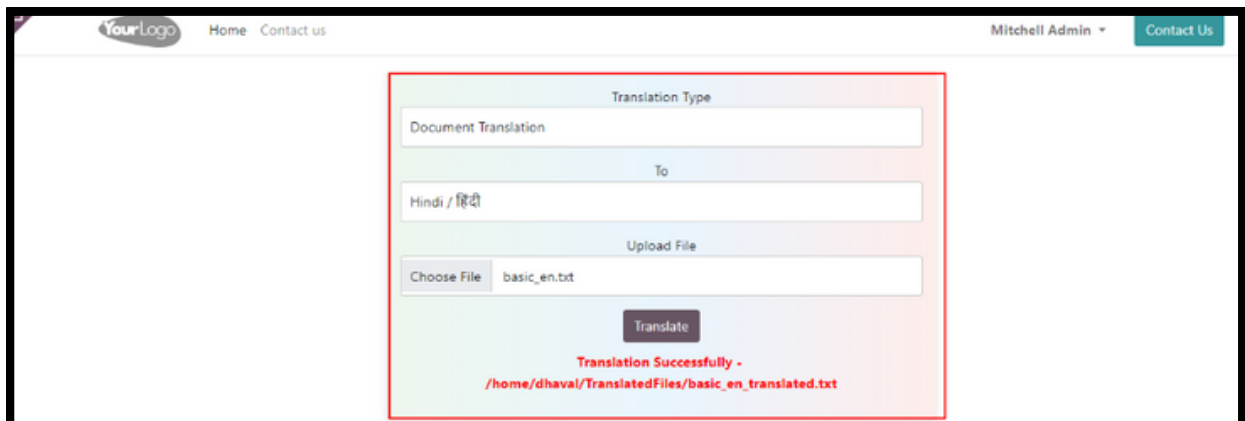

This screenshot shows the same web application interface after a successful translation. The form fields now contain the translated text: 'Text Translation' is 'Text Translation', 'To' is 'Gujarati / ગુજરાતી', and 'Text' is 'મારું નામ કૃષ્ણ છે.' (My name is Krishna). The 'Translate' button remains at the bottom. Below the form, a red message 'Translation Successfully' is displayed, indicating the completion of the process.
